About Us

Located at the world renowned Virginia International Raceway

RFHTM is a government, law enforcement, corporate event, & team building training facility. We specialize in tactical driving and shooting, as well as, providing situational awareness training. We are also an officially licensed manufacturer for RP Advanced Mobile Systems.

Airports & Flight Considerations

There are multiple airports that are considered to be serviceable to our facility. The primary location that most attendees fly in to is Raleigh-Durham International Airport (RDU) for commercial and international flights, however there is a much closer regional airport which facilitates private travel and is capable of handling most military flights.

Virginia International Raceway is capable of facilitating private and military helicopter transportation. There are multiple Helicopter Landing Zones (HLZ's) on site. Further information for HLZs is available upon request.

Raleigh-Durham International Airport (<https://www.rdu.com/>) - 1.25hr drive

Piedmont Triad International Airport (<https://flyfrompti.com/>) - 1.25hr drive

Richmond International Airport (<https://flyrichmond.com/>) - 2.5hr drive

Danville Regional Airport (<http://www.danville-va.gov/507/Danville-Regional-Airport>) - 0.3hr drive
